Sir or Madam:

This is responsive to the Notification of Missing Requirements regarding compliance with requirements for patent applications containing “nucleotide sequence and/or amino acid sequence disclosures” mailed May 16, 2006, and setting a two-month period response, which ended on July 16, 2006. Prior to examination of the instant application, please amend the application as follows.

Amendments to the Specification begin on page 2 of this communication.

Remarks are on page 3 of this communication.
